By auditioning for this group, I understand that there is a cost associated with costumes and competitions (on average \$450 for New Generation and \$850 for New Era). Travel and accessories (shoes, undergarments, travel jackets) may be an additional cost. We do require this of all members to pay for their costumes in order to be a competitive show choir, but it is possible to set up a payment plan and fundraise all or most of this cost. Financial assistance also is available upon request from the director. A choreography and costume deposit is due before May 23, 2024, and the remaining balance will be paid in installments from August to December.

By auditioning for this group, I understand that student and parental involvement will be necessary to help with fundraising efforts including but not limited to: New Generation Car Wash & Pork Burger Sale, Port-a-Pit Chicken Sale, New Era Mini-Camp, Night Out with New Era, Christmas Craft Bazaar, and Churubusco Show Choir Invitational.

*By auditioning for this group, I understand that I am committing to a **full year** of show choir while keeping my academic grades **a priority**. I understand New Era has evening rehearsals one or two times a week throughout the academic year and New Generation will have after-school rehearsals during competition season (January-March).*
